

Prayer newsletter from the Arjonas

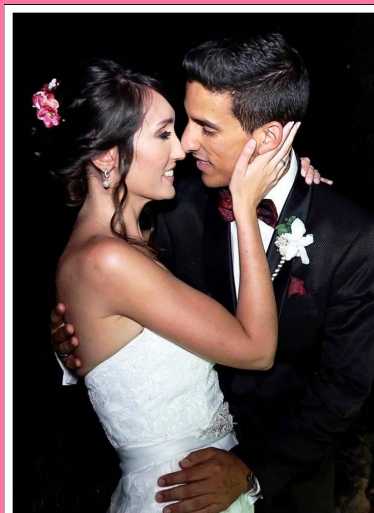

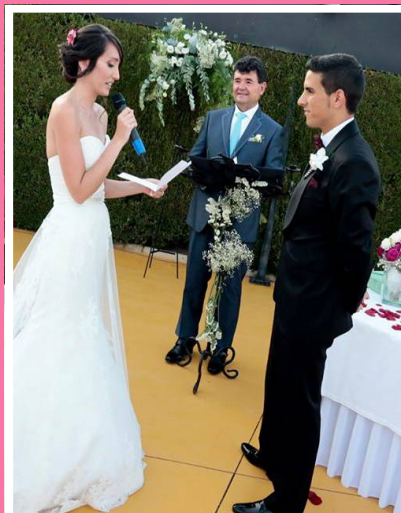

September 2016

" ... nothing shall be able to separate us from the Love of God, which is in Christ Jesus our Lord. ". (Rom 8:39)

Samuel and Sonia have left home to continue with their studies, the days are getting shorter, it's not quite so hot (mercy!), and activities are getting back to their usual pace. No doubt about it, we are in autumn and it's time for us to share briefly what has happened with us this summer.

Without a doubt the big event for our family was the wedding of our oldest daughter on the 16th of July! We thank God for His presence on that day, for the family members and friends who were present, and for the provision of everything necessary for the day to be very special for Eva and Efraim. Thank you all for your prayers!

At the end of July, Samuel was an assistant monitor at the GBE Christian youth summer camp. It was an enriching experience for him, and he returned very encouraged, having been able to help and learn to work with the boys.

In August we got to spend some days relaxing in northern Spain, but before and after that I (Nathalie) went to visit and care for my parents in France. My mother has been in the hospital for a month, having broken two vertebrae in her back, and now she is in a state of convalescence. Thanks to you all for continuing to pray for her (she is 90 years old), and for my father who is now alone at home.

The last week of August, we received (as happened last year) a group of eight soccer coaches from the “Coaches for Christ” organization in Northern Ireland. They were training children in Pozoblanco in the morning and in El Viso in the afternoon. In each session they shared biblical values based on the

English word, “TEAM.”

In both towns, leaders of the local soccer clubs received us very well, and both the Pozoblanco sports director and the mayor of El Viso were present and congratulated the group for their work with the youth. The team stayed in our home, which allowed us to deepen our friendship, and we are already making plans for the coming year !...

Last weekend, the teams of church planters from all over Spain that are doing the M4 program met for the second “learning community” (M2). Francis is the national coordinator, and Samuel is the official photographer and videographer. You can see a summary presentation at : <https://vimeo.com/183185277>
