“...“...And surely I am with you always, to the very end of the age.” (Mt. 28:20)

Dear brothers and partners in ministry:

We wholehearted wish for you that this promise of Jesus will give all of us momentum to live a happy year 2022.!!

This **Christmas has been a bit "complicated"** for us. Here in Spain, December 24 is the night when the family gathers for the big celebration. However **Abel** spent the night in the emergency room of a hospital and was admitted with a diagnosis of pancreatitis. Rafi spent the evening alone at home, since, due to COVID protocol, you cannot have company in the hospital.

Abel has spent 6 days in hospital on an IV, unable to tolerate even water. He is now home, however he feels very weak and the return to a regular diet is going to be slower than we thought.

At the same time **Carmeta, Abel's mother**, was admitted to the same hospital for a cardiac crisis. Being older, she was allowed a companion, so the family took turns to take care of her. She has returned home but has can no longer live independently, so the children will have to take turns to take care of her and Daniel in their home.

Rafi is awaiting several tests to determine the problem with her cerebrospinal fluid. We pray that the Lord will give wisdom to the doctors to get the diagnosis and treatment right.

In the town where we live having a **car is essential** for ministry and life, as there is no other transport. The car we have is 12 years old, having done 308,000 km, and sounds like a coffee machine. We've already spent a lot of money on breakdowns and the time has come to retire it. The expenses caused by the move make the situation difficult. Pray that the Lord will provide us with the resources to replace it.

Pray also that the Lord will allow us to **establish relationships and opportunities** to share the Good News which is what we most long for.

We wont be sending personal letters at present, given Abel is feeling so weak, however we are exceedingly grateful for your support and prayer.

Our best wishes of blessing and strength from the Lord. A big hug.

Abel & Rafi.
