You helped share the love of christ across Europe during the past year

ECM Britain and ECM International have 218 long-term missionaries ministering in Albania • Austria • Belgium • Bosnia • Bulgaria • Croatia • England • France • Germany • Greece • Ireland • Italy • Kosovo • Malta • Netherlands • Poland • Portugal • Romania • Serbia • Slovenia • Spain • Sweden • Ukraine

Evangelism, discipleship and church planting are core to what we do, often reaching out in some creative and diverse ways.

Keeping the faith in Ireland

There are eight ECM workers in three locations. In Waterford we are developing a church plant in the suburb of Ferrybank, which has been serving the community since 2010. One of our workers is also serving in another church in Waterford encouraging women to grow in their faith. In Claremorris, Co Mayo we are working alongside Calvary Mission to develop a church plant.

Fancy a brew in Austria?

Teebus Austria is an actual purpose built bus café for youth outreach. Connecting with young people out in town centres on Saturday nights they offer an alternative to alcohol, engaging them in discussion about life and faith.

The good Samaritan in Spain

ECM works in the provinces of Cordoba in the south, Castellon on the east coast, and in Madrid. There are several church planting projects and a lot of social work. ECM has run a rehabilitation centre for drug addicts in Pozoblanco called 'El Buen Samaritano,' for many years.

Creating a world community in Britain:

The World Café in Gloucester is a place serving refugees escaping war and persecution to asylum seekers. People give their time, share their skills and give financial support. It's a place where equality, justice and respect are very important. Talk of spirituality and God's presence is always welcomed. Bible studies, English classes, and social nights provide a catalyst for relationships to form.

Creative power of 3 in Slovenia

Why have one baptismal service when you can have three jointly! Three churches in rural Slovenia are building collaboration and fellowship by organising their baptismal services together. A great example of mutual support and communal worship.

Creative talk in Croatia

Our radio project has grown to a team of more than 10 people. They are involved in preparing and presenting live evangelistic radio programmes to around an impressive 40,000 listeners twice a week. This project is going to last until November 2020.

Overcoming adversity through diversity in Albania

ECM missionaries are involved in a variety of church planting initiatives around Tirana and in the Lushnjë region. Others travel regularly to Albania to take part in a diverse range of projects including evangelism, children's camps, building projects, language courses, aid to the poor, and other activities.
